John D. Gibson, Assistant Staff Director  
Federal Election Commission  
Reports Analysis Division  
Washington, DC 20463

RECEIVED  
FEC MAIL ROOM  
2001 JUN 11 A 10:56

Dear Mr. Gibson:

This letter is in response to the notice received for the Committee to Re-Elect Loretta Sanchez, 30 Day Post-General Report.

The discrepancies in the figures found on the Summary and Detailed Summary Pages have been corrected.

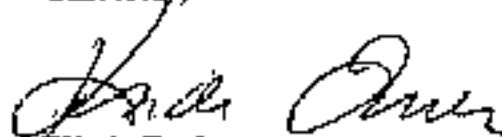

In order to comply with Commission Regulations which state that no political committee other than a multicandidate committee may make contributions in excess of \$1,000 to a candidate in federal office, we have contacted the Women in Leadership PAC and enclosed you will find Form 1M which states that they have qualified as a multicandidate committee.

Also, so that the committee complies with Commission Regulations which require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year, the committee has attempted to contact these contributors by phone and written correspondence. Enclosed you will find a sample letter that has been sent to those contributors whose information we have yet to confirm. The committee will be filing additional amendments in order to comply with Commission Regulations.

The contributions received and expenditures made after the election were miscoded 'General' when they should have been coded 'Primary' for the 2002 Primary Election. You will find the applicable changes made on this amendment.

If you need further information, please feel free to contact our office, (818) 260-0669.

Sincerely,

  
Kinde Durkee  
Treasurer
